

Seasonal Workshops Series – Autumn Workshop 2nd Edition

“Vitrimers: A New Paradigm in Polymers Recycling”

Date : December 12th, 2024
 Time : From 8:45 AM to 1:30 PM (UTC+1)
 Location : Riad science 2, conference room, Lot 660, Hay Moulay Rachid, UM6P Campus – Benguerir

The Ambiance Workshop is the Autumn Workshop of the Sustainable Materials Research Center (SusMat-RC) which will take place on December 12th, 2024, at University of Mohammed VI Polytechnic (UM6P). Under the theme of “**Vitrimers: A New Paradigm in Polymers Recycling**”, the ultimate purpose of the event is to explore the latest developments in Vitrimers.

The workshop is led by experts in the field and will provide insights into the breakthrough’s solutions and trends in polymer technology. The Ambiance Workshop is open to Ph.D. students, postdoctoral fellows, scientists, researchers, and professionals in the fields of Chemistry, Materials Science, and Engineering and is set on hybrid format (remotely & in-person).

Join us for an enlightening workshop on the fascinating world of dynamic polymer networks and the latest advancements, breakthroughs, and sustainable solutions in the field of materials science.

- Engaging presentations
- Eco-friendly initiatives
- Networking Opportunities

Schedule

Time	Speakers & talks
8:45 - 9:00	Prof. Youssef HABIBI, SUSMAT – RC, UM6P Opening words
9:00 - 10:00	Prof. Audrey LLEVOT, LCPO, Bordeaux INP Dynamic polymer networks: chemical degradation, self-healing and (re)processing.
10:00 - 11:00	Dr. Sylvain CAILLOL, CNRS - Institut Charles Gerhardt Montpellier A Journey around circularity in polymers, from renewable resources to recycling
11:00 - 11:15	Coffee break
11:15 - 12:15	Dr. Camille Bakkali HASSANI, CNRS researcher-Institut Charles Gerhardt, Montpellier Catalytic Control of Covalent Adaptable Network Properties
12:15 - 13:15	Dr. Marc GUERRE, CNRS Researcher - Toulouse University Vitrimers: a new generation of polymer materials for composite applications
13:15 – 13:30	Prof. Youssef HABIBI, SUSMAT – RC, UM6P Closing words and conclusions
Moderators	Dr. Abdelhaq BENKADDOUR & Dr. Imane BJIJ
