

Seasonal Workshops Series – Summer Workshop

"Unleashing the Potency of Aromatic and Medicinal Plants"

Schedule

 Date : October 10th, 2024
 Time : From 8:45 AM to 6:00 PM (UTC+1)
 Location : Fatima Al Fihria room, Lot 660, Hay Moulay Rachid,
 UM6P Campus – Benguerir

The Summer Workshop is part of the Seasonal Workshop Series organized by the Sustainable Materials Research Center (SusMat-RC). It will take place on October 10, 2024, at UM6P Campus, Benguerir.

Under the theme, "Unleashing the Potency of Aromatic and Medicinal Plants" this workshop will focus on the latest advancements in the sustainable transformation of aromatic and medicinal plants, their processing, and innovative applications in a wide range of applications. Target Audience: The event is open to Ph.D. students, postdoctoral fellows, scientists, and professionals interested in Green and Medicinal Chemistries, Biotechnology and Sustainable Materials. This workshop will also be conducted in a hybrid format (both in-person and remote participation).

Join us for an enlightening workshop on exploring the potential of natural resources and sustainable solutions through hands-on demos, cutting-edge presentations, and interactive discussions.
